Peter Grant - Chief Executive Officer

Peter joined Actant in March 2010 with a brief to further accelerate business growth, bringing fifteen years of highly productive experience in software sales and marketing, and team leadership.

He was responsible for spectacular growth as New Technology Sales Manager for ICL Fujitsu and, as Global Account Director, helped Siebel Systems become the fastest growing software company in history. He was UK Managing Director at salesforce.com and most recently VP Worldwide Sales for Tideway Systems which he helped prepare for their acquisition by BMC Software.
